Good morning,

Donie, when you can please send along the contact info for the guest you'd like to interview or you can loop me, Ashley and Tiffany into an email with them and I'll take it from there. You'll be on the phone asking questions as we record them on camera via Cisco Webex.

Ashley and Tiffany will tag team producing the piece today since we're starting early and running late. (Tiffany meet Donie!)

Amanda, I'm moving you to BCC so we don't clog up your inbox today. If you prefer differently, let us know. The gals will keep you updated on the piece and let you know when it's in.

Ashley started bringing in materials yesterday and our editor comes online at 11am.

For quick reference, here is contact info for all:
